

drivers love it

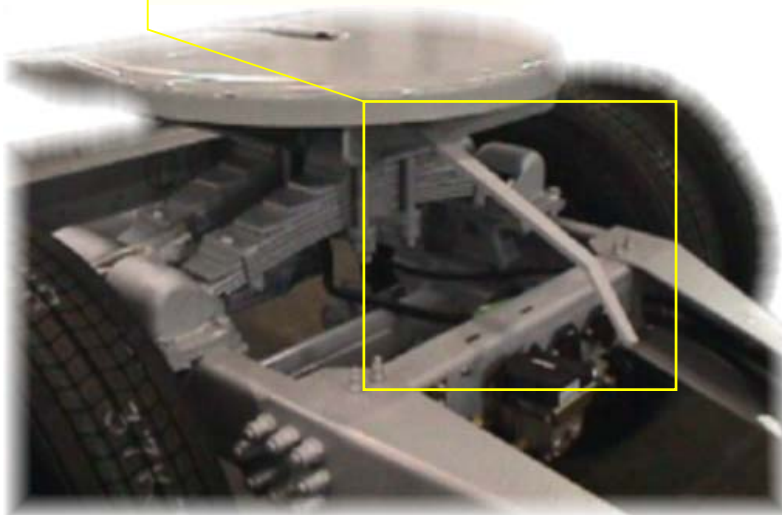

"The VA is a strong, low maintenance cost dolly. When it becomes necessary, it is the easiest dolly to work on. Our drivers love it. It is the first dolly out of the yard."

Your drivers will love our Eagle VA dolly and there is value to that. There are also bottom line reasons to buy the VA. Some are found in the

front pull handle

- ❑ 60% less pull to open the jaw than other 5th wheels
- ❑ Driver stands upright instead of bent over
- ❑ Less muscular strain
- ❑ Reduced exposure to injury
- ❑ Cleaner uniforms
- ❑ More productive drivers
